BOOK OF ME
A YEAR OF SELF-STORYTELLING

Create your very own BOM project within the Scrappingclearly Share & Inspire Group.

Each month we'll share prompts to help you write, create, reflect and document your story — in your own way, at your own pace. There are no rules and no pressure. Just a shared creative space.

This Book of Me is not about perfection — it's about noticing, remembering, and honouring yourself. Each month has a guiding theme, with weekly prompts to support journaling, a photo prompt to capture your life as it is, and an art prompt to encourage creative expression.

Use any format you love — journal, scrapbook, mixed media book, digital pages, canvas boards, loose sheets, or a stitched zine. There is no right pace. Some weeks you'll write pages, others only a sentence.

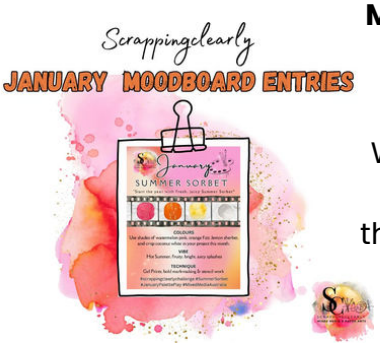

THE BOOK OF ME GROWS SIMPLY BECAUSE YOU SHOWED UP
